Platinum Setup:

Our Platinum disco setup features a curved DJ booth and 2 aluminium lighting columns. We use 2 uplighters to create a fantastic effect at the base of the lighting columns and 2 moving heads secured to the towers for a great effect. **A further 4 uplighters are also included to enhance the look of the setup.**

Additional lighting is used in larger venues by way of a discreet lighting rig positioned to the side of the booth.

- Equinox glowing, curved booth
